Reg. No. 9511

I called on Mr. Banerjee this morning and was informed that the Rajah was waiting to see the Resident before starting work according to programme.

He does not need, at present, the services of an Amildar whom we proposed to lend.

Mr. Bannerji thought that the Raja should spend more time in the Revenue, Forest and Finance Departments and less in the Law Cour but he will discuss the details with us after he has had a talk on the subject with the Resident.

The heads of the offices which the Raja is to visit are being informed that arrangements for his office accommodation suitable to his rank should be made and all facilities given for acquainting himself with the work of the offices.

Seen by the Dewan. It is unfortunate that H.H. the Raja has postponed his departure. A draft letter to Resident may be put up, when he leaves, stating that opportunities were given to him to see the working of the several depts in Bhopawar and H.H. studies the system of admn with great keenness & enthusiasm. It is a matter of gratification for H.H's Govt that they were able to afford these facilities and trust that the acquaintance with administration now gained by H.H will be of some help to him when he takes over the reins of Govt in his own state.

To Rajah of Narsingarh

Dear Mr. Madhava Rao,

In answer to your d.o.letter No.2900/C.B. of the 28th instant, I write to say that, as at present arranged His Excellency the Governor of Bombay will be at Jog on parts of the 5th, 6th and 7th November and the Chief of Sangli from the 8th to the 10th. The camp will therefore be available for His Highness the Rajah of Narasingarh at any date after the 10th, but it might perhaps be well to leave a slight margin, in case the Chief of Sangli changes his dates, and ~~stays~~ to Jog any time in the latter half of the month.

As regards maintaining the camp arrangements, I am waiting to hear what is finally settled about the visit of His Highness the Maharaja of Benares. If, as expected, he decides to visit Jog in January it would be best to leave the tents and ~~have~~ heavy furniture there until his visit is over, only removing some of the lighter things which are more readily liable to damage.

Yours sincerely,

D.O. No. 911

Dear Mr. Madhava Rao,

I acknowledge, with thanks, the receipt of your D.O.No.3162/CB, dated the 8th inst, with its enclosure---a copy of letter dated 6 th Nov, received by you from the Dy, Commissioner, Shimoga.

I wish to make the following alterations and suggestions in the programme proposed by the Dy.Commissioner.

His Highness's party will leave Bangalore on the 15th, by the night train, and arrive at Shimoga, the next morning, on the 16th. As the Dy.Commissioner is of opinion that the season is favourable for a tiger shoot, and prospects, fair, in the neighbouring jungles, the party will make Shimoga as their head-quarter, for four or five days, that is till the 19th, when they will proceed to Jog fall, early morning, stay there the whole day, and return to Shimoga in the evening. They may leave for Bangalore the same night, or the next morning, the 20th November. It will be necessary therefore to reserve the entire Shimoga Bungalow, from the 16th to the 20th Nov

The Dy.Commissioner may be informed that His Highness is used to shoots, conducted by beaters. As a matter of fact beaters will be required for all shoots throughout. It will be necessary to tie up buffalos, and get "kills", two or three days prior to the regular shoot, in order to make sure the presence of tigers in the different jungles. The co-operation of the District Forest Officer, in this matter, will be very helpful, as well as the employment of local Shikaris. I suppose no special arrangement need be made for the Bison--shoot, except the employment of a couple of elephants.

I note with pleasure that cars and bus could be had locally.

As regards purdah arrangements in the bungalow a few chicks will be necessary. We shall require two palanquins or carrier chairs, for the ladies. The Dy.Commissioner may be informed

of this.

The party will consist of 15 members, of whom 8 are servants.

I take this opportunity of thanking His Highness's Government, for affording facilities for a tiger-shoot, to my ward His Highness the Raja of Narsingarh, and hope, that the shoot which the members of the party are looking forward to, will be successful.

Yours Sincerely,

J. N. Banerji

Guardian to His Highness of Narsingarh.

Shimoga, Dated 15th November 1927

My dear Mr. Madhava Rao,

I am in receipt of your telegram of to-day, intimating the altered programme of His Highness the Raja of Narasingarh. Necessary action has been taken in the matter. I enclose herein copy of D.O. letter of the 15th inst., received this evening from the District Forest Officer, Shimoga, intimating that bisons could be had only in Sakrebyle and Shankar State Forests which are Game Preserves and that permission to shoot in these areas could be sanctioned only by His Highness the Maharaja. If you should think that bison shooting should also be arranged in addition to tiger shooting for which there appears to be fair prospect of success, I request you to kindly obtain orders and communicate the same by wire.

I annex in the margin copy of a telegram which I just sent you on this matter.

Yours sincerely,

D.O. letter dated 15th November 1927 from the District Forest Officer, Shimoga.

*****

With reference to your D.O. letter No.G1. 2581/27-28 dated 11th instant, I beg tostate that so far as bison is concerned Sacrebyle and Shankar State Forests are the more suitable ones. Both these Forests are game preserves, shooting in which is allowed only with the gracious permission of His Highness the Maharaja. I, therefore, request that sanction as you may fit in the matter may be kindly cause to be taken in the matter.

As regards tiger shoot the Range Officers, Ayanur and Ananthapur have arranged to tie baits and give intimation about the Kill. They have also arranged to keep Shikaries and Beaters ready. As I will be absent from Head Quarters I have asked the Range Officers to intimate the kills promptly to the District Treasury Officer, Shimoga District, Shimoga.

Dear Sir Charles Todhunter,

As you are aware, a shooting trip has been arranged under the Dewan's instructions for His Highness the Raja of Narasingarh in the Shimoga District, at ~~his~~ the Raja's own ~~cost.~~ expense

The District Forest Officer states that it would be possible to arrange for a bison shoot in the Sakrebyle and Shankar State Forests (which are Game Preserves), if His Highness the Maharaja is graciously pleased to permit of the same. ~~May~~ I am desired to request you to kindly ascertain His Highness' pleasure in the matter? Dear Mr. Kesaviengar,

I am in receipt of your telegram reading as follows:--

"Covered chairs not available here
Please send two or send two chairs
which could be fitted up for the occasion"

Probably I did not make the meaning quite clear. The idea was that ordinary cane chairs with bamboo attachment and with cloth spread over might be made available. There ought to be no difficulty about this, and I hope you will ascertain what is wanted from Mr. J.N.Bannerji, Guardian of the Raja, Who is accompanying him and do the needful.

Regarding arrangements for bison shoot in the Sakrebyle and Shankar State Forests, I have written to the Private Secretary to His Highness, from Whom you will hear direct in the matter, if permission is granted.

My dear Nanjunda Rao,

I am in receipt of your letter dated 15.11.27 and note the contents. I am sorry I am not able to secure any cane chairs for the Gooka lady although I sent word to several likely places. ordinary cane chairs will have to be used for the occasion. I have asked the Tranquebar men and the local amildar to improvise something for this purpose. I have also tried to get you to send a couple of chairs if available.

I have to go to Davangere today to meet the Revenue in connection with the recent

Rajah's Scheme about which he desires to discuss fully with the Resident Chitaldrug and myself and the amildars concerned. The Govt. have approved of this arrangement. I shall therefore not be in the Station tomorrow. But the Treasury Assistant and the amildars have been asked to meet H.H. the Rajah Saheb on his arrival and see to his comforts. Will you kindly let me know to whom the bills in connection with the Rajah Saheb's visit have to be given? Bails have been fixed in 5 likely places and I do hope the Rajah will have a successful venture.

The T. B's at Shimoga, Kumsi and Sorab have been reserved for him and amildars instructed to give him all convenience.

With kind regards,
